A Remote Area is defined as a post code or in the absence of post code, a suburb/town name that is difficult to serve. A delivery to one of the following post codes and towns would attract a Remote Area surcharge. For Import Express shipments, a pickup from one of the same post codes and towns would attract a Remote Area surcharge. Please refer to your service guide for the surcharge amount in local currency.

A Remote Area is defined as a post code or in the absence of post code, a suburb/town name that is difficult to serve. A delivery to one of the following post codes and towns would attract a Remote Area surcharge. For Import Express shipments, a pickup from one of the same post codes and towns would attract a Remote Area surcharge. Please refer to your service guide for the surcharge amount in local currency.

A Remote Area is defined as a post code or in the absence of post code, a suburb/town name that is difficult to serve. A delivery to one of the following post codes and towns would attract a Remote Area surcharge. For Import Express shipments, a pickup from one of the same post codes and towns would attract a Remote Area surcharge. Please refer to your service guide for the surcharge amount in local currency.

A Remote Area is defined as a post code or in the absence of post code, a suburb/town name that is difficult to serve. A delivery to one of the following post codes and towns would attract a Remote Area surcharge. For Import Express shipments, a pickup from one of the same post codes and towns would attract a Remote Area surcharge. Please refer to your service guide for the surcharge amount in local currency.

A Remote Area is defined as a post code or in the absence of post code, a suburb/town name that is difficult to serve. A delivery to one of the following post codes and towns would attract a Remote Area surcharge. For Import Express shipments, a pickup from one of the same post codes and towns would attract a Remote Area surcharge. Please refer to your service guide for the surcharge amount in local currency.

A Remote Area is defined as a post code or in the absence of post code, a suburb/town name that is difficult to serve. A delivery to one of the following post codes and towns would attract a Remote Area surcharge. For Import Express shipments, a pickup from one of the same post codes and towns would attract a Remote Area surcharge. Please refer to your service guide for the surcharge amount in local currency.

A Remote Area is defined as a post code or in the absence of post code, a suburb/town name that is difficult to serve. A delivery to one of the following post codes and towns would attract a Remote Area surcharge. For Import Express shipments, a pickup from one of the same post codes and towns would attract a Remote Area surcharge. Please refer to your service guide for the surcharge amount in local currency.

A Remote Area is defined as a post code or in the absence of post code, a suburb/town name that is difficult to serve. A delivery to one of the following post codes and towns would attract a Remote Area surcharge. For Import Express shipments, a pickup from one of the same post codes and towns would attract a Remote Area surcharge. Please refer to your service guide for the surcharge amount in local currency.

A Remote Area is defined as a post code or in the absence of post code, a suburb/town name that is difficult to serve. A delivery to one of the following post codes and towns would attract a Remote Area surcharge. For Import Express shipments, a pickup from one of the same post codes and towns would attract a Remote Area surcharge. Please refer to your service guide for the surcharge amount in local currency.

A Remote Area is defined as a post code or in the absence of post code, a suburb/town name that is difficult to serve. A delivery to one of the following post codes and towns would attract a Remote Area surcharge. For Import Express shipments, a pickup from one of the same post codes and towns would attract a Remote Area surcharge. Please refer to your service guide for the surcharge amount in local currency.

A Remote Area is defined as a post code or in the absence of post code, a suburb/town name that is difficult to serve. A delivery to one of the following post codes and towns would attract a Remote Area surcharge. For Import Express shipments, a pickup from one of the same post codes and towns would attract a Remote Area surcharge. Please refer to your service guide for the surcharge amount in local currency.

A Remote Area is defined as a post code or in the absence of post code, a suburb/town name that is difficult to serve. A delivery to one of the following post codes and towns would attract a Remote Area surcharge. For Import Express shipments, a pickup from one of the same post codes and towns would attract a Remote Area surcharge. Please refer to your service guide for the surcharge amount in local currency.

A Remote Area is defined as a post code or in the absence of post code, a suburb/town name that is difficult to serve. A delivery to one of the following post codes and towns would attract a Remote Area surcharge. For Import Express shipments, a pickup from one of the same post codes and towns would attract a Remote Area surcharge. Please refer to your service guide for the surcharge amount in local currency.

A Remote Area is defined as a post code or in the absence of post code, a suburb/town name that is difficult to serve. A delivery to one of the following post codes and towns would attract a Remote Area surcharge. For Import Express shipments, a pickup from one of the same post codes and towns would attract a Remote Area surcharge. Please refer to your service guide for the surcharge amount in local currency.

A Remote Area is defined as a post code or in the absence of post code, a suburb/town name that is difficult to serve. A delivery to one of the following post codes and towns would attract a Remote Area surcharge. For Import Express shipments, a pickup from one of the same post codes and towns would attract a Remote Area surcharge. Please refer to your service guide for the surcharge amount in local currency.

A Remote Area is defined as a post code or in the absence of post code, a suburb/town name that is difficult to serve. A delivery to one of the following post codes and towns would attract a Remote Area surcharge. For Import Express shipments, a pickup from one of the same post codes and towns would attract a Remote Area surcharge. Please refer to your service guide for the surcharge amount in local currency.

A Remote Area is defined as a post code or in the absence of post code, a suburb/town name that is difficult to serve. A delivery to one of the following post codes and towns would attract a Remote Area surcharge. For Import Express shipments, a pickup from one of the same post codes and towns would attract a Remote Area surcharge. Please refer to your service guide for the surcharge amount in local currency.

A Remote Area is defined as a post code or in the absence of post code, a suburb/town name that is difficult to serve. A delivery to one of the following post codes and towns would attract a Remote Area surcharge. For Import Express shipments, a pickup from one of the same post codes and towns would attract a Remote Area surcharge. Please refer to your service guide for the surcharge amount in local currency.

A Remote Area is defined as a post code or in the absence of post code, a suburb/town name that is difficult to serve. A delivery to one of the following post codes and towns would attract a Remote Area surcharge. For Import Express shipments, a pickup from one of the same post codes and towns would attract a Remote Area surcharge. Please refer to your service guide for the surcharge amount in local currency.

A Remote Area is defined as a post code or in the absence of post code, a suburb/town name that is difficult to serve. A delivery to one of the following post codes and towns would attract a Remote Area surcharge. For Import Express shipments, a pickup from one of the same post codes and towns would attract a Remote Area surcharge. Please refer to your service guide for the surcharge amount in local currency.

A Remote Area is defined as a post code or in the absence of post code, a suburb/town name that is difficult to serve. A delivery to one of the following post codes and towns would attract a Remote Area surcharge. For Import Express shipments, a pickup from one of the same post codes and towns would attract a Remote Area surcharge. Please refer to your service guide for the surcharge amount in local currency.

A Remote Area is defined as a post code or in the absence of post code, a suburb/town name that is difficult to serve. A delivery to one of the following post codes and towns would attract a Remote Area surcharge. For Import Express shipments, a pickup from one of the same post codes and towns would attract a Remote Area surcharge. Please refer to your service guide for the surcharge amount in local currency.

A Remote Area is defined as a post code or in the absence of post code, a suburb/town name that is difficult to serve. A delivery to one of the following post codes and towns would attract a Remote Area surcharge. For Import Express shipments, a pickup from one of the same post codes and towns would attract a Remote Area surcharge. Please refer to your service guide for the surcharge amount in local currency.

A Remote Area is defined as a post code or in the absence of post code, a suburb/town name that is difficult to serve. A delivery to one of the following post codes and towns would attract a Remote Area surcharge. For Import Express shipments, a pickup from one of the same post codes and towns would attract a Remote Area surcharge. Please refer to your service guide for the surcharge amount in local currency.

A Remote Area is defined as a post code or in the absence of post code, a suburb/town name that is difficult to serve. A delivery to one of the following post codes and towns would attract a Remote Area surcharge. For Import Express shipments, a pickup from one of the same post codes and towns would attract a Remote Area surcharge. Please refer to your service guide for the surcharge amount in local currency.

A Remote Area is defined as a post code or in the absence of post code, a suburb/town name that is difficult to serve. A delivery to one of the following post codes and towns would attract a Remote Area surcharge. For Import Express shipments, a pickup from one of the same post codes and towns would attract a Remote Area surcharge. Please refer to your service guide for the surcharge amount in local currency.

A Remote Area is defined as a post code or in the absence of post code, a suburb/town name that is difficult to serve. A delivery to one of the following post codes and towns would attract a Remote Area surcharge. For Import Express shipments, a pickup from one of the same post codes and towns would attract a Remote Area surcharge. Please refer to your service guide for the surcharge amount in local currency.

A Remote Area is defined as a post code or in the absence of post code, a suburb/town name that is difficult to serve. A delivery to one of the following post codes and towns would attract a Remote Area surcharge. For Import Express shipments, a pickup from one of the same post codes and towns would attract a Remote Area surcharge. Please refer to your service guide for the surcharge amount in local currency.

A Remote Area is defined as a post code or in the absence of post code, a suburb/town name that is difficult to serve. A delivery to one of the following post codes and towns would attract a Remote Area surcharge. For Import Express shipments, a pickup from one of the same post codes and towns would attract a Remote Area surcharge. Please refer to your service guide for the surcharge amount in local currency.

A Remote Area is defined as a post code or in the absence of post code, a suburb/town name that is difficult to serve. A delivery to one of the following post codes and towns would attract a Remote Area surcharge. For Import Express shipments, a pickup from one of the same post codes and towns would attract a Remote Area surcharge. Please refer to your service guide for the surcharge amount in local currency.

A Remote Area is defined as a post code or in the absence of post code, a suburb/town name that is difficult to serve. A delivery to one of the following post codes and towns would attract a Remote Area surcharge. For Import Express shipments, a pickup from one of the same post codes and towns would attract a Remote Area surcharge. Please refer to your service guide for the surcharge amount in local currency.

A Remote Area is defined as a post code or in the absence of post code, a suburb/town name that is difficult to serve. A delivery to one of the following post codes and towns would attract a Remote Area surcharge. For Import Express shipments, a pickup from one of the same post codes and towns would attract a Remote Area surcharge. Please refer to your service guide for the surcharge amount in local currency.

A Remote Area is defined as a post code or in the absence of post code, a suburb/town name that is difficult to serve. A delivery to one of the following post codes and towns would attract a Remote Area surcharge. For Import Express shipments, a pickup from one of the same post codes and towns would attract a Remote Area surcharge. Please refer to your service guide for the surcharge amount in local currency.

A Remote Area is defined as a post code or in the absence of post code, a suburb/town name that is difficult to serve. A delivery to one of the following post codes and towns would attract a Remote Area surcharge. For Import Express shipments, a pickup from one of the same post codes and towns would attract a Remote Area surcharge. Please refer to your service guide for the surcharge amount in local currency.

A Remote Area is defined as a post code or in the absence of post code, a suburb/town name that is difficult to serve. A delivery to one of the following post codes and towns would attract a Remote Area surcharge. For Import Express shipments, a pickup from one of the same post codes and towns would attract a Remote Area surcharge. Please refer to your service guide for the surcharge amount in local currency.

A Remote Area is defined as a post code or in the absence of post code, a suburb/town name that is difficult to serve. A delivery to one of the following post codes and towns would attract a Remote Area surcharge. For Import Express shipments, a pickup from one of the same post codes and towns would attract a Remote Area surcharge. Please refer to your service guide for the surcharge amount in local currency.

A Remote Area is defined as a post code or in the absence of post code, a suburb/town name that is difficult to serve. A delivery to one of the following post codes and towns would attract a Remote Area surcharge. For Import Express shipments, a pickup from one of the same post codes and towns would attract a Remote Area surcharge. Please refer to your service guide for the surcharge amount in local currency.

A Remote Area is defined as a post code or in the absence of post code, a suburb/town name that is difficult to serve. A delivery to one of the following post codes and towns would attract a Remote Area surcharge. For Import Express shipments, a pickup from one of the same post codes and towns would attract a Remote Area surcharge. Please refer to your service guide for the surcharge amount in local currency.

A Remote Area is defined as a post code or in the absence of post code, a suburb/town name that is difficult to serve. A delivery to one of the following post codes and towns would attract a Remote Area surcharge. For Import Express shipments, a pickup from one of the same post codes and towns would attract a Remote Area surcharge. Please refer to your service guide for the surcharge amount in local currency.

A Remote Area is defined as a post code or in the absence of post code, a suburb/town name that is difficult to serve. A delivery to one of the following post codes and towns would attract a Remote Area surcharge. For Import Express shipments, a pickup from one of the same post codes and towns would attract a Remote Area surcharge. Please refer to your service guide for the surcharge amount in local currency.

A Remote Area is defined as a post code or in the absence of post code, a suburb/town name that is difficult to serve. A delivery to one of the following post codes and towns would attract a Remote Area surcharge. For Import Express shipments, a pickup from one of the same post codes and towns would attract a Remote Area surcharge. Please refer to your service guide for the surcharge amount in local currency.

A Remote Area is defined as a post code or in the absence of post code, a suburb/town name that is difficult to serve. A delivery to one of the following post codes and towns would attract a Remote Area surcharge. For Import Express shipments, a pickup from one of the same post codes and towns would attract a Remote Area surcharge. Please refer to your service guide for the surcharge amount in local currency.

A Remote Area is defined as a post code or in the absence of post code, a suburb/town name that is difficult to serve. A delivery to one of the following post codes and towns would attract a Remote Area surcharge. For Import Express shipments, a pickup from one of the same post codes and towns would attract a Remote Area surcharge. Please refer to your service guide for the surcharge amount in local currency.

A Remote Area is defined as a post code or in the absence of post code, a suburb/town name that is difficult to serve. A delivery to one of the following post codes and towns would attract a Remote Area surcharge. For Import Express shipments, a pickup from one of the same post codes and towns would attract a Remote Area surcharge. Please refer to your service guide for the surcharge amount in local currency.

A Remote Area is defined as a post code or in the absence of post code, a suburb/town name that is difficult to serve. A delivery to one of the following post codes and towns would attract a Remote Area surcharge. For Import Express shipments, a pickup from one of the same post codes and towns would attract a Remote Area surcharge. Please refer to your service guide for the surcharge amount in local currency.

A Remote Area is defined as a post code or in the absence of post code, a suburb/town name that is difficult to serve. A delivery to one of the following post codes and towns would attract a Remote Area surcharge. For Import Express shipments, a pickup from one of the same post codes and towns would attract a Remote Area surcharge. Please refer to your service guide for the surcharge amount in local currency.

A Remote Area is defined as a post code or in the absence of post code, a suburb/town name that is difficult to serve. A delivery to one of the following post codes and towns would attract a Remote Area surcharge. For Import Express shipments, a pickup from one of the same post codes and towns would attract a Remote Area surcharge. Please refer to your service guide for the surcharge amount in local currency.

A Remote Area is defined as a post code or in the absence of post code, a suburb/town name that is difficult to serve. A delivery to one of the following post codes and towns would attract a Remote Area surcharge. For Import Express shipments, a pickup from one of the same post codes and towns would attract a Remote Area surcharge. Please refer to your service guide for the surcharge amount in local currency.

A Remote Area is defined as a post code or in the absence of post code, a suburb/town name that is difficult to serve. A delivery to one of the following post codes and towns would attract a Remote Area surcharge. For Import Express shipments, a pickup from one of the same post codes and towns would attract a Remote Area surcharge. Please refer to your service guide for the surcharge amount in local currency.

A Remote Area is defined as a post code or in the absence of post code, a suburb/town name that is difficult to serve. A delivery to one of the following post codes and towns would attract a Remote Area surcharge. For Import Express shipments, a pickup from one of the same post codes and towns would attract a Remote Area surcharge. Please refer to your service guide for the surcharge amount in local currency.

A Remote Area is defined as a post code or in the absence of post code, a suburb/town name that is difficult to serve. A delivery to one of the following post codes and towns would attract a Remote Area surcharge. For Import Express shipments, a pickup from one of the same post codes and towns would attract a Remote Area surcharge. Please refer to your service guide for the surcharge amount in local currency.

A Remote Area is defined as a post code or in the absence of post code, a suburb/town name that is difficult to serve. A delivery to one of the following post codes and towns would attract a Remote Area surcharge. For Import Express shipments, a pickup from one of the same post codes and towns would attract a Remote Area surcharge. Please refer to your service guide for the surcharge amount in local currency.

A Remote Area is defined as a post code or in the absence of post code, a suburb/town name that is difficult to serve. A delivery to one of the following post codes and towns would attract a Remote Area surcharge. For Import Express shipments, a pickup from one of the same post codes and towns would attract a Remote Area surcharge. Please refer to your service guide for the surcharge amount in local currency.

A Remote Area is defined as a post code or in the absence of post code, a suburb/town name that is difficult to serve. A delivery to one of the following post codes and towns would attract a Remote Area surcharge. For Import Express shipments, a pickup from one of the same post codes and towns would attract a Remote Area surcharge. Please refer to your service guide for the surcharge amount in local currency.

A Remote Area is defined as a post code or in the absence of post code, a suburb/town name that is difficult to serve. A delivery to one of the following post codes and towns would attract a Remote Area surcharge. For Import Express shipments, a pickup from one of the same post codes and towns would attract a Remote Area surcharge. Please refer to your service guide for the surcharge amount in local currency.

A Remote Area is defined as a post code or in the absence of post code, a suburb/town name that is difficult to serve. A delivery to one of the following post codes and towns would attract a Remote Area surcharge. For Import Express shipments, a pickup from one of the same post codes and towns would attract a Remote Area surcharge. Please refer to your service guide for the surcharge amount in local currency.

A Remote Area is defined as a post code or in the absence of post code, a suburb/town name that is difficult to serve. A delivery to one of the following post codes and towns would attract a Remote Area surcharge. For Import Express shipments, a pickup from one of the same post codes and towns would attract a Remote Area surcharge. Please refer to your service guide for the surcharge amount in local currency.
